

# WE INVITE YOU TO CAMP

Because we believe "God so loved the world" all are welcome!

## OUR STAFF

Lutheran Hills, Lutherwald and Lake Luther summer programs are staffed by college-aged counselors who love working with kids. They are a fun, enthusiastic group who grew up at camp themselves and want to give children the same great Christian community experience they were given. They come highly recommended by their pastor and other adults who comment on their character. Those selected are good students with high-energy and positive, appreciative attitudes towards life. They use good judgment in the care of themselves and others—and their Christian faith is a real factor in their everyday lives. Their words and actions make them good role models and they work well as a team.

### A RICH EXPERIENCE LOADED WITH VALUE

Every day at camp is a day to love. New experiences led by our "super" college-aged staff, exploring the outdoors and individual faith—the making of valuable childhood memories. But remember, it's the building of self-confidence, friendships and insights into Christian living that really define the Lutheran Hills, Lutherwald and Lake Luther camp experience. And we do it all for less than you'll find at other camps.

This summer we have a terrific collection of camp programs. And, as always, camp is a place for both newcomers and old friends. So join us in our "big back yard" with acres of woods and natural lake settings for the best week of your summer!

P.S. Remember, no child is denied a camp experience due to financial need. Contact me personally to request financial assistance.
